Updated in September | Helpful Resources

Step 7 : You should have a link on this page that says skip this step if you are in your first 90 days. This will keep you from paying for the website until your 90 days expires.

PERSONAL WEB SITE ASSISTANT

Return to Consultant's Corner
Welcome Desiree Rose

Personalize Your Site

Setup or change the appearance and content of your Web site.

Work with Your Shows

Setup your Shows and host information. Work with your show list. View and print orders placed on your website.

Customer Connection

Work with your contacts, set up your eNewsletter, send eCards and Customer Connection Emails and more!

Site Options

Setup or change your personal Web site options and preferences.

Beginning 12/29/2011 Guest Credit Card information will no longer display on orders for shows with a Show Date older than 60 days.

Step 8: Proceed to Personalize your site.

Add a great intro, a photo of yourself to personalize the site and other news stories that may help keep your visitors entertained!

Step 8: Go back to the screen seen in Step 7. Click Work with your shows.

Step 9: Create your First Show.

YOUR SHOW LISTING Work with Your Shows [HELP](#)
