

# What kind of **THEME SHOW** will you have?

## Margaritaville/ Margarita Madness

We're hanging with Jimmy Buffett while we make Margaritas like you've never had them, with Sizzling Coconut Shrimp Cakes, Cheeseburger in Paradise Ring, or Strawberry Margarita Squares.

## **Death by chocolate!**

Who doesn't love chocolate? Have friends come back for seconds as we sip Chocolate Martinis, eat Turtle Skillet Brownie Cake, Killer Kahlua Cake, or Chocolate Macaroon Pizza.

## *Desperate Housewives*

You love the show—now host the party! Prizes for the most “desperate” utensil and DH trivia as we make Baked Brie with Carmelized Onions, Susan's Cheesy Broken-Hearted Love Triangles, and sip Lawnboy Lemonade. Who knows? Maybe Mike Delfino will show up!

## **Sip N Dip**

We'll have a laid back evening while your guests sip wine and nibble on a selection of our yummy dips—Cheesy Crab Dip, Hot Pizza Dip or maybe some dessert dips—Cannoli Dip, or Cool and Creamy Fondue. Yum!

## *Elegant Appetizers—*

Let me teach you and your guests how to make beautiful and easy appetizers like the Artichoke and Sundried Tomato tart, Apricot-Almond Baked Brie, Mini Caprese Sandwiches, or Coconut Shrimp Cakes with a tangy Thai sauce. You'll be the toast of every gathering you attend!
